Our vision for MJP Electrical Group, MJP Electrical services, MJP Plus and MJP Solar

We're building a unique Electrical Company in Bristol, Bath and South Wales. A team that is renowned for responsive communication, the high standard of our workmanship, and the reliability of our people. We're ambitious and we're growing the business while retaining our reputation for excellence

Your part in our vision

You'll be an integral part of the business. Without you and your skills, there is no company, let alone the expansion we have in mind. You have the chance to join our team at a key stage in the business and help us establish the company as the go-to electricians in the region. Your day-to-day duties will include, although not exclusive

Qualifications and experience you need for the role

- Project management
- Proven track record for successful project completion
- 5+ years' experience
- Level 3 Award in the Requirements for Electrical Installations 18th Edition
- City and Guilds 2391 Inspection and Testing or (2394/5)
- City and Guilds 236 parts 1 and 2
- ECS Card
- SMSTS
- IPAF
- UK Driving Licence (no more than 6 points)
- DBS Check required

Personal attributes

- Believe in our Core Values
- High quality workmanship: Completing work to the highest standard and promptly
- Positive work ethic: Approaching jobs with a can-do attitude and willingness to help other team members.
- Team Player

- Reliability: Doing what you say you'll do and turning up on time.
- Willing to learn: Being open and curious to developing your skill set.
- Good communication and interpersonal skills
- Strong troubleshooting and problem-solving skills
- Assist in training and mentoring junior electricians as needed.

The 'nice to haves':

- Experience in Commercial Solar PV and Battery Storage installation
- Experience in Commercial EV Charging Point Installation

What we can give in return:

- Travel Pay - Expenses
- Performance Bonus
- Ongoing work
- Fuel card & company van
- Uniform

Development opportunities:

- Further training and progression in the company
